School Information & Fees 2024-25

FUMC Preschool is here to educate and care for children who are walking at the age of twelve months through Pre-K. A non-refundable registration and supply fee will secure your child's place for the next school year. The annual tuition can be paid in ten installments; these will be due the first day of each month August - May. A 5% discount is applied for those who would like to pay the full annual tuition.

We offer extended hours for families that need earlier drop off times and later pick up times. Early Bird students will begin their day with motor skills activities. Extended day students will enjoy extended learning, lunch, and a nap. Fun Club is available for those that need to stay later, this includes activities such as a school provided snack, story time/circle time, centers, and outside play.
